

trainLSE

International Graduate School Life Science Engineering at TU Darmstadt is looking for **15 excellent international PhD students** to join the EU MSCA-COFUND program *trainLSE*

Cutting-edge science at the intersection of engineering and life sciences

- Synthetic biology
- Bioengineering
- Targeted modulation of cells
- Bottom-up constructions
- Tissue engineering
- Intelligent biomaterials
- Solid-state technology
- Computational analysis

Join our vibrant community!

- International and structured PhD program
- Interdisciplinary supervision and environment
- Extracurricular seminars and workshops
- Mobility grant
- EU co-funded PhD positions for up to 4 years
