Eligibility

Please provide detail on the measure's relevance for your own academic or professional career and on how the measure helps forward gender equity.

In case of a not women-specific purpose (e.g. conference participation), please state which other funding options for the requested funding amount have been ruled out and that the measure to be funded is not included in TU Darmstadt's program for further education and training.

Examples for other funding options are the DAAD, your work group, reimbursement of travel expenses, etc. Please also disclose if you have applied for a mix of several financing options.
